

BE READY. BE SET. GO!

Know evacuation levels and follow advice of emergency officials. Make the best decision for your safety.
Don't wait to evacuate if you feel unsafe!

LEVEL 1 - BE READY *BE AWARE OF DANGER IN THE AREA*

Prepare to evacuate:

- Monitor emergency services websites and local news media.
- Opt-in with your county to receive local emergency alerts.
- Have your emergency plan and go-kit ready.
- Older adults and people with disabilities are encouraged to take action early.
- Consider moving pets and livestock.

LEVEL 2 - BE SET *SIGNIFICANT DANGER IN THE AREA*

Prepare to leave at a moment's notice:

- Conditions can change rapidly - this may be the only notice you receive.
- Time to act - follow your emergency plan.
- Relocate to a safe place outside of the affected area.
- Let loved ones know you're safe and where to meet.

LEVEL 3 - GO! *DANGER IS IMMINENT*

Evacuate now! Leave immediately!

- Leave without delay, it is unsafe to stay and threatens the safety of you, your family and first responders.
- Do not gather belongings or make efforts to protect the home.
- Emergency services may not be able to assist you further if you stay.
- Do NOT return home until officials declare the area safe.
